ADVENTURE COMPLEX

LOOKING FOR A WAY TO SERVE AT THE 2026 NATIONAL JAMBOREE?

Consider serving in a staff position at the Alumni Adventure Complex! The Alumni Adventure Complex, part of the Jamboree's Crossroads Program Area, is a joint exhibit between Scouting Alumni and the National Eagle Scout Association (NESA). As we did at the 2023 National Jamboree, we are excited to again deliver an outstanding program to all Scouts, leaders, and visitors who attend the National Jamboree. We are asking **YOU** to help us deliver that program by registering as a staff member. When selecting your preferred staff assignments, choose either the Alumni Relations Exhibit or the National Eagle Scout Association Exhibit. Both can be found under the category of "Scouting Programs". We look forward to hearing from you! Please feel free to reach out to either of us with any questions you might have.
